Troubleshooting the Holiday Shop,

- One Teacher asked if we can add more shifts and/or add an extra 10 minutes to the classes' time at the shop for larger sized classes.

A Holiday Shop after school hours would require a DOE permit.

Another teacher suggested the PTA send a photo previewing the holiday shop merchandise so the children can see what is being sold ahead of time.

Proposed that the PTA fundraise by allowing local small businesses to buy ad space in the year book.

PTA voted in favor of having some 6PM meetings.
